

Truckee Meadows NV Chapter #3 Blue Star Mothers of America

January 26, 2022

Dear Proud Military Supporter:

The Truckee Meadows Nevada Chapter #3 Blue Star Mothers of America is hosting our 10th Annual “Bunco/Spaghetti Feed” Fundraiser on Saturday, April 23rd, 2022.

Blue Star Mothers of America is a non-profit organization of mothers supporting each other and our children who served or are currently serving in the military of the United States of America. From generous community donations, both cash and in-kind, every few months we fill and mail care packages to our deployed sons and daughters (and their units) fighting the War on Terror. We conduct Operation Postcard for the holidays in December, collecting words of encouragement and thanks from the community throughout the year and bundling them in packets for the troops all over the world and our recuperating service members in military hospitals. We also honor the sacrifice of fallen service members in supporting their families at the memorial services and extending our condolences and gratitude for the military commitment of their loved one.

I would like to take this opportunity to request a donation, either in the form of merchandise and/or gift certificates that we can use for silent auction/raffle prizes for our upcoming fundraiser.

With generous donations received throughout the year, we are able to support our active military and Veterans, all the while promoting patriotism and awareness in our local community. If you would like further information about our group, please don't hesitate to contact me or visit our website at www.BlueStarMomsNV.org.

Thank you, in advance, from the bottom of our red, white and blue hearts!
